KEY ENTITY INFORMATION AND MANAGEMENT

a) Background information

Incorporation/Objectives

The Independent Policing Oversight Authority (IPOA) was established through Act No. 35 of 2011.

The objectives of the Authority are to:

- a) Hold the Police accountable to the public in the performance of their functions;
- b) Give effect to the provision of Article 244 of the Constitution that the Police shall strive for professionalism and discipline and shall promote and practice transparency and accountability; and
- c) Ensure independent oversight of the handling of complaints by the National Police Service.

Principal Functions

The principal functions of the Authority are to:

- a) Investigate any complaints related to disciplinary or criminal offences committed by any member of the National Police Service, whether on its own motion or on receipt of a complaint, and make recommendations to the relevant authorities, including recommendations for prosecution, compensation, internal disciplinary action or any other appropriate relief, and shall make public the response received to these recommendations;
- b) Receive and investigate complaints by members of the Police Service;
- c) Monitor and investigate policing operations affecting members of the public;
- d) Monitor, review and audit investigations and actions taken by the Internal Affairs Unit of the Police Service in response to complaints against the Police and keep a record of all such complaints regardless of where they have been first reported and what action has been taken;
- e) Conduct inspections of Police premises, including detention facilities under the control of the Service;
- f) Co-operate with other institutions on issues of Police oversight, including other State organs in relation to services offered by them;
- g) Review the patterns of Police misconduct and the functioning of the internal disciplinary process;
- h) Present any information it deems appropriate to an inquest conducted by a court of law;
- i) Take all reasonable steps to facilitate access to the Authority's services to the public;
- j) Subject to the Constitution and the laws related to freedom of information, publish findings of its investigations, monitoring, reviews and audits as it seems fit, including by means of the electronic or printed media;
- k) Make recommendations to the Police Service or any State organ;
- l) Report on all its functions under its Act or any written law; and
- m) Perform such other functions as may be necessary for promoting the objectives for which the Authority is established.

FOREWORD BY THE CHAIRMAN

During the 2017/18 financial year, the Authority was allocated recurrent budget estimates amounting to Kshs. 600,000,000. The budget was, however, revised upwards by Kshs. 95,860,000 to Kshs. 695,860,000 during Supplementary Estimates. Exchequer releases during the period amounted to Kshs. 588,314,800 or 85% of the revised budget.

The total expenditure during the period was Kshs. 588,324,800 of which Kshs. 253,340,332 was on compensation of employees, Kshs. 286,035,294 on use of goods and services, and Kshs. 48,929,944 on acquisition of assets. The Authority absorbed 85% of the total budget, as compared to an absorption rate of 89% recorded during the 2016/2017 financial year.

During the period, the Authority received a total of 2,339 complaints from the public and the police, bringing the total complaints received since the Authority was established in 2012 to 10,381. The Authority conducted 240 inspections of police facilities, and investigated 197 cases bringing the total to 950 and 790 respectively since inception.

During the year, the Authority established five additional regional offices in Nakuru, Eldoret, Kakamega, Nyeri and Meru. This is in addition to the three regional offices established in Mombasa, Kisumu and Garissa during the previous year. With eight regional offices, the Authority looks forward to serving the public closer to their areas thus improving the current uptake of complaints against the police.

Looking into the future, the Authority will continue to carry out its work in a transparent, impartial, just and in a fair manner. It will continue to work and cooperate with all its key stakeholders for realization of this objective.

The term of office of the inaugural Board on 21st May 2018 upon which the Government initiated the recruitment process of the next Board. The President appointed the Chairperson and Board members vide Gazette Notice No. 9559 and No. 9560 respectively with effect from 1st September 2018 for a period of six years. The new Board was sworn-in by the Chief Justice on 21st September 2018.

STATEMENT OF MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in-charge of the Independent Policing Oversight Authority (IPOA) is responsible for the preparation and presentation of the Authority's financial statements, which give a true and fair view of the state of affairs of the Authority for and as at the end of the financial year ended on June 30, 2018. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of IPOA entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Authority; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in-charge of IPOA accepts responsibility for the Authority's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the Authority's financial statements give a true and fair view of the state of IPOA's transactions during the financial year ended June 30, 2018, and of the Authority's financial position as at that date. The Accounting Officer in-charge of the Independent Policing Oversight Authority further confirms the completeness of the accounting records maintained for the Authority, which have been relied upon in the preparation of the Authority's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of IPOA confirms that the Authority has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the Authority's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further, the Accounting Officer confirms that the Authority's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The Authority's financial statements were approved and signed by the Accounting Officer on *18th September 2018*.

OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON INDEPENDENT POLICING OVERSIGHT AUTHORITY FOR THE YEAR ENDED 30 JUNE 2018

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of Independent Policing Oversight Authority set out on pages 16 to 36, which comprise the statement of assets and liabilities as at 30 June 2018, and the statement of receipts and payments, statement of cash flows, statement of comparison of budget and actual amounts for the year then ended, summary statement of appropriation – recurrent for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Independent Policing Oversight Authority as at 30 June 2018, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the Independent Policing Oversight Authority Act No. 35 of 2011.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of Independent Policing Oversight Authority in accordance with ISSAI 30 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There are no key audit matters to communicate in my report.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7 (1) (a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 1315 and ISSAI 1330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, management is responsible for assessing the Independent Policing Oversight Authority's ability to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of

accounting unless the management either intends to cease operations, or have no realistic alternative but to do so.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7 (1) (a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively

low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Authority to cease sustaining its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Authority to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Notes:

- The Authority recorded an overall 85% budget absorption during the year.
- Compensation of employees absorbed 83% of the approved budget. This was due to high staff turnover. This was also due to unavoidable circumstances in replacing vacant positions, and planned recruitment of additional staff.
- On use of goods, the Authority recorded a budget absorption rate of 96%.
- On acquisition of assets, an absorption rate of 51% was recorded. This was mainly due to the office refurbishment budget line earmarked for the regional offices. The interim certificates for the works were submitted late towards the end of June 2018, making it difficult to obtain the required Exchequer issue.
- During the year, the Authority declared savings of Kshs. 150m allocated for Development Vote. The Authority requested the same to be rationalised and reallocated to the Recurrent Vote specifically for establishment of regional offices. The National Treasury allocated Kshs. 95.86m out of the savings to Recurrent Vote.

Notes:

- (a) Total Exchequer receipts amounted to 85% of the revised budget, or 15% budget utilization difference.
- (b) Compensation to staff recorded a budget utilization of 17%, use of goods and services, 4%, and acquisition of assets, 49%.
- (c) The overall 15% budget utilization difference was mainly due to staff turnover and non-completion of the procurement process especially where bids were non-responsive, particularly on acquisition of assets.

SIGNIFICANT ACCOUNTING POLICIES

1. Summary of Significant Accounting Policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

a) Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash Basis International Public Sector Accounting Standards (IPSAS) financial reporting under the cash basis of Accounting, as prescribed by the Public Sector Accounting Standards Board (PSASB) of Kenya and set out in the accounting policy notes below. In addition, the financial statements are in compliance with the Public Finance Management Act, 2012, Public Finance Management Act Regulations, 2015, Public Audit Act, 2015, and in line with the requirements of IPOA Act, 2011.

This cash basis of accounting has been supplemented with accounting for: a) receivables that include imprests and salary advances and b) payables that include deposits and retentions. The receivables and payables are disclosed in the Statement of Assets and Liabilities. The Statement of Assets and Liabilities is not mandatory statement under the IPSAS Cash Basis but is encouraged in order to disclose information on assets and liabilities.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the Authority. All values are rounded to the nearest Kenya Shilling. The Accounting policies adopted have been consistently applied to all years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

b) Reporting entity

The financial statements are for the Independent Policing Oversight Authority (IPOA). The financial statements encompass the entity as specified under section 81 of the PFM Act 2012. The Authority did not implement any development projects during the reporting period.

c) Recognition of receipts and payments

Recognition of receipts:

- a. Receipts: The Authority recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Authority.
- b. Transfers from the Exchequer: Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the Authority.
- c. Other receipts: These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements at the time the associated cash is received.

Recognition of payments:

- d. Expenses: The Authority recognises all expenses when the event occurs and the related cash has actually been paid out by the Authority.
- e. Compensation of employees: Salaries and wages, allowances, statutory contributions for employees are recognized in the period when compensation is paid.

INDEPENDENT POLICING OVERSIGHT AUTHORITY
Reports and Financial Statements
For the year ended June 30, 2018

Use of goods and services:

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of fixed assets:

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt as a payment.

A fixed asset register is maintained and a summary provided for purposes of disclosure. This summary is disclosed as an annexure to the financial statements.

d) In-kind contributions

In-kind contributions are donations that are made to the Authority in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Authority includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

Restriction of cash:

Restricted cash represents amounts that are limited/restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation. Amounts maintained in the deposit bank account are restricted for use in refunding third party deposits. As at 30th June 2018, this amounted to Kshs. 729,495 compared to Kshs. 1,277,426 in prior period as indicated on Notes 6 and 8.

f) Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorized public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as expenditure when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

g) Accounts Payable

For the purpose of these financial statements, deposits and retentions held on behalf of third parties has been recognized as accounts payable. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National

Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

h) Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed assets register a summary of which is provided as a memorandum to these financial statements.

i) Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Authority at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

j) Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The Authority's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the Authority's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

k) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

l) Subsequent events

Events subsequent to submission of the financial year end financial statements to the National Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of the National Treasury. No material events or circumstances have arisen between the accounting date and the date of this report.

2. Financial Risk Management Objectives and Policies

The Authority's activities expose it to a variety of financial risks including liquidity risks. The Authority's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimize the potential adverse effects of such risks on its performance by setting acceptable level of risks. The Authority has developed an Enterprise Risk Management (ERM) Framework upon which a risk register is maintained and reviewed regularly.

The Board recognizes that management of risk is a key element of sound governance and an important strategy for the achievement of its mission and supporting objectives. The Board further recognizes that risk management is a holistic management process that is to be applied at all levels of activity across the Authority. The Authority is committed to consistent management of risk as an integral part of its operations, focusing on strategies to minimize risks towards achieving strategic goals and objectives.

The Board has the overall responsibility for the establishment and oversight of the enterprise risk management framework. The Board has delegated its risk management to the Risk and Audit Committee.

INDEPENDENT POLICING OVERSIGHT AUTHORITY
Reports and Financial Statements
For the year ended June 30, 2018

The Committee is responsible for the implementation and reporting of the framework. The Board Finance and Administration Committee is charged with management of financial risks arising from financial transactions and processes.

The following are financial management objectives and policies:

a) Market risk

Market risk is the risk that changes in market prices, such as interest rate, equity prices, and foreign exchanges rates will affect IPOA's income or value of its holding financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return on risk. The Authority's market risk is relatively low, based on its nature of business.

b) Credit risk

Credit risk is the risk of financial loss to the Authority if a client or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Authority cash and cash equivalents and deposits with banks, as well as trade and other receivables. Due to the nature of business, the Authority does not have any significant concentrations of credit risk. However, the Authority assesses the credit risk quality of each client, taking into account its financial position, past experience and other critical factors. The Authority's funds received from the Exchequer are usually placed with the Central Bank of Kenya.

c) Liquidity risk

Liquidity risk is risk that the Authority will encounter difficulty in meeting its obligations from its financial obligations. The Authority's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its obligations when due without incurring unacceptable losses or risk of damaging its reputation. The Authority manages liquidity risk through continuous monitoring of forecasts and actual cash flows, ensuring that Exchequer release requests are made to the National Treasury on timely basis.

d) Capital risk

The Authority is not exposed to capital risk as it does not have share capital, being an independent State Agency.

e) Operational risk

Operational risk is the risk of direct or indirect loss arising from a wide variety of causes associated with the Authorities processes, personnel, technology and infrastructure, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally acceptable standards.

The Authority's objective is to manage operational risks so as to balance the avoidance of financial losses and damage to its reputation with overall cost effectiveness and to avoid any control procedures that restrict initiative and creativity in the Authority.

The primary responsibility of the development and implementation of controls to address operational risk is assigned to the Authority's management, with the overall responsibility resting with the Board. This responsibility is supported by the development of overall standards for the management of operational risks in the following areas:

- a. Requirement for appropriate segregation of duties including independent authorization and approval of transactions;

INDEPENDENT POLICING OVERSIGHT AUTHORITY
Reports and Financial Statements
For the year ended June 30, 2018

- b. Requirement for reconciliation and monitoring of transactions;
- c. Documentation of controls and procedures;
- d. Staff training and professional development;
- e. Ethical and business standards;
- f. Compliance with regulatory and other legal requirements;
- g. Requirement for periodic assessment of operational risks faced by the Authority, and adequacy of controls and procedures to address the risks identified;
- h. Requirement for the reporting of operational losses and proposed remedial action;
- i. Development of contingency plans;
- j. Risk mitigation, including insurance where this is effective; and
- k. Review of compliance with the Authority's standards is on an ongoing basis. The Authority has developed a staff code of conduct, which every employee is required to sign an integrity pact for compliance.

f) Reputational risk

Reputation risk is risk of failing to meet standards of performance or behaviour required or expected by the stakeholders in commercial activities or the way in which business is conducted. Reputational risk arise as a poor management of problems occurring in one or more of the primary risk areas and/or from social, ethical or environmental risk issues. All Board members and staff have a critical responsibility for maintaining the Authority's reputation through strict adherence of the highest level of personal and corporate conduct.

g) Governance risk compliance

Governance risk is risk that the Authority will not identify, measure, report and appropriately manage risks to achieve governance objectives with integrity and confidence. In order to mitigate governance risk, the Board ensures that it fulfils its regulatory obligations, duties and responsibilities. The Authority has developed and implemented a Board Charter, and has organized training on corporate governance for all the Board members.

h) Compliance and regulatory risk

Compliance and regulatory risk includes the risk of non-compliance with regulatory requirements. During the period, the Authority complied with all its statutory obligations.

i) Legal risk

Legal risk is the risk of unexpected loss, arising from defective transactions or contracts, claims being made or some other event resulting in a liability or the loss for the Authority, failure to protect the title to or liability control the rights to its assets, and changes in law. The Authority manages legal risk through the Risk and Audit Committee, legal department, use of effective internal controls and seeking legal opinion from the State Law Office.

3. Taxation

The Authority is not subject to taxation and, therefore, no provision for tax liability has been made in the financial statements.

4. Retirement benefit obligations

The Authority makes contributions to a statutory pension scheme, the National Social Security Fund (NSSF), for all its long-term contract employees. Contributions to the scheme are determined by statute at Kshs. 200/- per employee per month for the 12-month period ended 30 June 2017. The employees also

INDEPENDENT POLICING OVERSIGHT AUTHORITY
Reports and Financial Statements
For the year ended June 30, 2018

contribute a similar amount per month. The Authority's obligations to NSSF are charged to the salary costs on monthly basis.

5. Staff service gratuity

IPOA employees in Job Grades 1-3 are employed on a four-year renewable period. They are entitled to service gratuity of 31% of their monthly basic salary. The gratuity is payable whenever an employee's contract comes to an end or whenever an employee leaves employment. No provision is made for future gratuity liability, as the Authority uses the cash basis of accounting.

With effect from January 2018, employees in Job Grades 4-9 were transitioned to permanent and pensionable terms. Outstanding accumulated service gratuity for this group was budgeted for in the 2018/19 budget. The Authority contributes 20% of the employees' monthly basic salary to the staff retirement benefits scheme while the employees contribute 10% of their monthly basic salary. The scheme is managed by Jubilee Insurance Company Ltd.

6. Legal status/going concern

IPOA is a non-profit state agency. It was established through an Act of Parliament No. 35 of 2011. Its existence is thus anchored on this Constitutive Act. There is no legal threat or otherwise to its existence, and therefore continues to execute its mandate and functions as a going concern.

During the year, the Authority was sued by an ex-employee for alleged wrongful termination of employment. The matter is before the Labour and Employment Court pending determination. The Authority is hopeful that the case will be determined in its favour.

7. Employees

As at 30 June 2018, the Authority had a staff compliment of 177.

8. Use of funds

The Authority's management ensures that funds received from the Exchequer are utilized with utmost care, and as stipulated in the approved annual estimates. This is done with due attention to economy, efficiency, accountability, and only for the purposes for which the funding was provided.

Notes:

- The pending bills were mainly caused by the following, and not by lack of budgetary provisions:
- Suppliers' invoices were received after the IFMIS commitments module was closed on 31st May 2018.
 - The payments were processed on time and booked the funds with Exchequer. However, the National Treasury did not issue the requested Exchequer by the close of the financial year.
 - The pending bills were within the Authority's budgetary provisions for the year.
